

NAHIDA JAMAL

Faculty of M.A Education

2nd semester

Topic : -Internship

Date :- 16/02/2022

## Teaching internship is...

- Internship is the placement of an aspiring teacher in a work environment to enable them to acquire professional experience.
- An internship is an opportunity to integrate career related experience into an undergraduate education by participating in planned, supervised work.
- Thus, teaching internship helps aspiring teachers for their future career.

---

## **Why is teaching internship important?**

- Plays a vital role to your success as a professional teacher
- It gives you the opportunities to apply what you have learned in actual classroom practice.
- It provides you roles and functions to perform effectively in various settings.

- 
- It empowers you to perform your roles in your respective level, subject area and discipline as well as to prepare you for personal and professional advancement.
  - It gives you the chance to work under a second teacher who shall serve as your mentor.
  - It allows you to interact with professionals which shall give you more insights in the field of teaching.

## **Phases of teaching internship**

- **Phase 1: Orientation Sessions**
  - With the practicum supervisors
  - With the cooperating principals
  - With the cooperating teacher
- **Phase 2: Observation and building relationship**
  - Observation of Classes
  - Building relationship with your cooperating teacher, learners and other teaching support personnel.
