POVERTY

- Poverty is obstacle for women education.
- Female are deprived of education due to parents poverty.
- Though education should be free, there are a lot of costs associated with sending children to school. The cost of uniforms, textbooks or bus fare can be too much to bear for a family living in poverty.

Child Marriage

- Guardians think that if female is aged, they will not get any good bride.
- Financial limitations of guardians.
- Less qualified female students are agreed to marriage.
- When girls are forced to marry young, they are often pulled out of school at a very critical age in their development. The transition from primary to secondary education is key for girls to gain the life skills they need to escape the cycle of poverty. Yet, this is often the same time that many girls leave school due to early marriages.

COMMUNICATION SYSTEM

- Most of the women can't read because of communication system.
- Also for long distance girls can not go their school.
- Lack of communication road are also the cause for lacking women education.

UNAWARNNESS OF GUARDIANS

- Illiterate guardians always comment as negative on women education.
- Negative parental attitude towards educating daughters is one of the important challenges to promote girl's education in India.

RELIGION DISPARITY

- most of the family controvert female education because of religion.
- Some guardian thought that higher educated women can't follow the religious activities properly.
- A lot of intelligence can't continue their education because religion disparity.

RESIDENCE PROBLEM

- Many girls desirous of pursuing education above middle level, facilities for which are available away from their homes, cannot avail themselves of these facilities due to lack of hostel arrangements.

LACK OF SECURITY

- Parents often complain about insecurity for girls attending schools. Instances of abduction, rape and molestation of girls dampen the enthusiasm of parents and girl students in pursuing education beyond a certain age; thereafter they remain bound to their homes.

REASONS OF EVE-TEASING

- Now a days eve-teasing create a great responsibilities for breaking of female education.
- Every ages of women are caught behind by eve-teasing that's why female education is dropping out day after day.

DOWRY SYSTEM

- Dowry is causing suffering of the women and parents .
- It is the corruption and bribe in the society.
- It has deteriorated the status of women.
- Results in dowry death, suicide, murder, etc...
- Dowry system is considered to be a prestigious issues.
- It is practiced by all the castes.

LACK OF WOMEN TEACHER

- Lack of female teachers is another potential barrier to girls' education. Girls are more likely to attend school and have higher academic achievement, if they have female teachers.
